Haizea - Feature #2

Add support for node attributes

08/07/2009 05:45 AM - PhoenixForge Admin

Status:	New		**Start date:**	08/07/2009
Priority:	Normal		**Due date:**

Target version:			**Spent time:**	0.00 hour

Description

Nodes (in leases or in a site) can currently have consumable resources. However, it is also desirable for nodes to have "attributes" that can be used for matchmaking (e.g., a node could have an attribute "arch" indicating the machine's architecture).

History

#1 - 08/07/2009 05:53 AM - PhoenixForge Admin

- Category set to Core

#2 - 09/01/2009 11:13 AM - Borja Sotomayor

- Target version deleted (1.0 Beta 2)

Turns out implementing this is more complicated than I anticipated. Leaving target version blank for now. I will revisit this feature if there is sufficient demand for it.
